The 3 floors are composed of:

- R / Floor a T1 with gross construction area 100.64 m², with terrace - 1st floor a T2 with gross construction area of 100.64 m²
- 2nd floor a T3 in duplex with gross construction area of 170.64 m² + terrace with 16 m² Both apartments can have garage in closed box.

There is, however, the possibility of changing the project, and adjusting to another strand or business perspective, such as creating a commercial area on the ground floor, and eventually it may be possible to create one more floor and make another use of the top floor.

Interesting property for housing or eventually for hostel/local accommodation, identical to the one that is running next door.

The surrounding area is heably consolidated, provided with local commerce, in a quiet neighborhood environment, close to various infrastructures, such as schools, gardens, various services and very close to public transport that have direct connection with the main axes and communication routes.

Investment opportunity and take advantage of tax advantages under the rehabilitation of buildings.
